

REMARKS/ARGUMENTS

Reconsideration of this application and entry of this Amendment are solicited. Claims 1-4 and 10-16 will remain active in the application subsequent to entry of this Amendment.

The Advisory Action of October 16, 2008 does not indicate, one way or the other, whether the Amendment of October 7, 2008 has been entered or will be entered. Accordingly, the instructions for amending claim 16 are repeated and it is counsel's understanding from the last sentence of the continuation sheet attached to the Advisory Action that these changes will overcome the examiner's concerns as to claim 16 as stated in the Final Rejection of May 7, 2008, page 2, second paragraph.

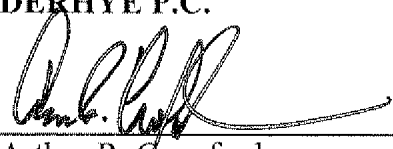

In the Final Rejection and repeated in the Advisory Action it is clear that claims 5 and 7-9 are rejected. These claims are deleted in this Amendment leaving only allowed or allowable claims in the application. Claims 1-4 and 10-15 have been allowed and claim 16 is believed to be allowable considering the amendments made above.

Should this Amendment not place all claims in the application in condition for allowance, please contact the undersigned.

Respectfully submitted,

NIXON & VANDERHYE P.C.
